ROLL A SNOWMAN

You'll Need

- Dice
- Set of snowman parts for each player

How to Play

- 1. Roll the die and collect the piece of snowman for the number you roll: 6- Body 5- Head 4- Hat 3- Scarf 2- Arms 1- Nose
- If you roll a number for a part you already have, play passes to the next player.
- Make it more difficult by requiring each player to roll a 6 to get a body before they can collect any pieces. And then require that each player rolls a 5 for a head before they can collect a nose, scarf and hat.
